

A few words about Franche-Comté IUFM

- **Franche-Comté IUFM is a part of Franche-Comté University.** It provides a Master degree to 530 students, entitled "*Métiers de l'enseignement, de l'éducation et de la formation*" (Teaching and education related jobs)
- **This degree aims at :**
 - Preparing students to recruiting exams to become teachers
 - Providing professional skills for future teachers
 - Giving students the opportunity to continue their studies as far as the Ph D. For this a high level of research is required and follows European standards
 - Enabling students to apply to education related jobs
 - Valuing student's degree thanks to a worldwide culture
- **Franche-Comté IUFM also enables qualified teachers to update their professional skills.**
- **It offers its expertise as far as education and teachers' training are concerned, according to the needs of our partner countries.**
- **It develops an ambitious programme of scientific cooperation** (international symposiums, conferences, etc.) leading to publications.

Opening of Franche-Comté IUFM to foreign partners

The exchanges we offer aim at:

- **Valuing our degrees as well as our partners' degrees** thanks to the international dimension of our exchanges
 - A few weeks' training period in schools or associations (dealing with teaching or education related jobs)
 - Mutual exchanges of students during one semester
 - Bilateral supervision of the Master's dissertation
- **Offering our expertise to the teachers' training Department of our partner country**
 - Setting up training period programmes for qualified teachers and providing accommodation
 - Sending our teachers to complete the training of our partner country's teachers
- **Developing exchanges about teaching and teacher's training**
 - Mutual exchanges of teachers and of programmes
 - Welcoming delegations
- **Initiating and developing scientific partnerships with a University from the partner country**
 - Inviting University professors and lecturers
 - Organizing scientific symposiums
